Phone No.: ( 480 )839-4340 Fax No.: ( 480 )491-3409

Drainage Type: **Discharge into street**

Permittee shall monitor the flow to prevent flooding. Unless the pool water is free of all pollutants, including chlorine, discharging it to the City's storm drain violates Tempe City Code 12-125. You must allow sufficient time for any chemicals in the pool water to dissipate before you can drain the pool into the street.

Any person desiring to drain a pool into the City of Tempe right of way shall apply for a permit from the Engineering Division at least 48 hours prior to draining the pool. Permits may be obtained by either the resident or pool maintenance company. A copy of the permit shall be posted at the discharge site and be visible from the street.

Pools may be drained into the street as long as the drainage does not create a nuisance.

**PERMIT EXPIRES 30 DAYS FROM DATE OF ISSUE**
